

# ***Miss Red***

## **Introduction**

Relive the charm of the classic tale in this modernized twist of Little Red Riding Hood. Follow Miss Red and the Big Bad Wolf through the forest as the *End2End* feature transforms the reels for enhanced riches! Travel to Granny's house for a Free Spins Bonus with even more Big Bad Wins!

## **How To Bet**

**Miss Red** offers 1024 ways to win for only 45 coins.

### **MULTIWAY**

Displays the current number of coins being played. Betting is fixed at 1024 ways which costs 45 coins.

### **COIN VALUE**

Displays the current coin value as currency. Press the left arrow (-) to decrease the coin value. Press the right arrow (+) to increase the coin value.

### **SPIN**

Press  to submit the bet and spin the reels.

It is to be noted that, in this game, the words "column" and "reel" are used interchangeably.

## **Auto Spin Feature**

Auto Spin is not available in Quebec.

## ***End2End* Feature**

### Base Game

During the base game, the Little Red and Wolf symbols activate the *End2End* expanding symbols feature. Symbol expansions occur in the following order:

Any symbol between two Wolf symbols on the same row transforms into the Wolf symbol, except the Little Red symbol, which transforms into the Wolf-Little Red symbol. (The Wolf-Little Red symbol is referred to as the "Red Wolf" symbol in the game play history.)

Any symbol between two Little Red and/or Wolf-Little Red symbols on the same row transforms into the Little Red symbol, except the Wolf symbol, which transforms into the Wolf-Little Red symbol.

The combined Wolf-Little Red symbol is wild and substitutes for the Little Red symbol and the Wolf symbol.

### Free Spins Bonus

During Granny's Free Spins Bonus, all Wolf and Little Red symbols are replaced by the combined Wolf-Little Red symbol, before the *End2End* expansion occurs. Any symbol

between two Wolf-Little Red symbols on the same row transforms into the Wolf-Little Red symbol.

When a transformation occurs over any other symbol already part of a winning combination, the original win is paid, in addition to any win resulting from the transformation. When a transformation occurs over a triggering Bonus symbol, the free spins are awarded in addition to wins resulting from the transformation.

Wins are evaluated after all symbol transformations are complete.

**End2End example:** Wolf symbols expanding over a winning 3 Granny symbol combination, in the base game:

Before *End2End* expansion:

Reel 1	Reel 2	Reel 3	Reel 4	Reel 5
Wolf	Granny	Granny	LittleRed	Wolf
			Granny	

Before expansion, the Granny symbols in Reels 2, 3, and 4 create a 3 Granny symbol win. The Wolf symbols in Reel 1 and Reel 5 trigger the *End2End* expansion.

After *End2End* expansion:

Reel 1	Reel 2	Reel 3	Reel 4	Reel 5
Wolf	Wolf	Wolf	Wolf-Little Red	Wolf
			Granny	

The *End2End* expansion creates a 5 Wolf symbol win in Reels 1, 2, 3, 4, and 5.

The total winning combinations for this example are the 3 Granny symbol win from before the expansion and the 5 Wolf symbol win from after the expansion.

## ***MultiWay Xtra* Feature**

With the *MultiWay Xtra* feature, there are 1024 ways to win on every spin. *MultiWay Xtra* awards pay for matching symbols in any position in adjacent reels, starting from the leftmost

reel, the rightmost reel, or within the centre three reels. More than one matching symbol in the same reel multiplies the award. Only the highest paying *MultiWay Xtra* win for each symbol is paid per spin.

Example of a *MultiWay Xtra* payout:

This following diagram shows a sample reel outcome using the LittleRed symbol. Because there is at least one LittleRed symbol in each of the first four reels, the player has won the 4 LittleRed *MultiWay Xtra* win which pays 15 coins per way.

**Payout example: 1 x 2 x 1 x 3 Little Red → 6 winning ways:**

Reel 1	Reel 2	Reel 3	Reel 4	Reel 5
			LittleRed	
LittleRed	LittleRed	LittleRed	LittleRed	
	LittleRed		LittleRed	

**1 LittleRed    2 LittleRed    1 LittleRed    3 LittleRed**

To determine the payout for this combination:

1. Count the number of LittleRed symbols in each reel.
2. Calculate the total number of winning ways ( $1 \times 2 \times 1 \times 3 = 6$ ).
3. Multiply the number of ways by the 4 LittleRed symbol win ( $6 \times 15 = 90$ ). The pay is 90 coins won.

The actual amount won in currency is based on the coin value.

## Granny's Free Spins Bonus

Granny's Free Spins Bonus is triggered by getting three Bonus scatter symbols anywhere on the centre three reels. These symbols are found on reels 2, 3, and 4.

Choose the number of free spins by selecting one of five baskets displayed in the picker. Each basket reveals between 5 and 15 initial free spins.

The bonus has more plentiful *End2End* expansions than the base game.

During Granny's Free Spins Bonus, the bonus can be retriggered by getting three Bonus scatter symbols anywhere on the centre three reels. These symbols are found on reels 2, 3, and 4. Retriggering the bonus awards an additional basket selection from the picker for a number of free spins (between 5 and 15). The bonus can be retriggered multiple times, up to a maximum of 280 free spins per bonus.

Free spins are played at same coin value as the triggering game.

## Options

### Graphics Quality

Adjust the quality of the graphics to get the optimal animation performance.

- BEST mode - Graphics look best, but performance may suffer.
- HIGH mode (default) - Optimal graphics and performance setting.
- MEDIUM mode - Lower quality but increased performance.
- LOW mode - Degraded graphics, but smoothest animation performance is achieved even on slower computers.

## Rules

This game has a theoretical Return to Player (RTP) of 94.98%.

Malfunction voids all pays and plays.

*Multiway Xtra* wins pay for the same symbol in any position in adjacent reels.

Same symbol in same reel multiplies win.

*Multiway Xtra* wins pay left to right, right to left, or in the centre three reels.

Only the highest paying *MultiWay Xtra* win for each symbol is paid per spin.

*MultiWay Xtra* wins are multiplied by the coin value.

Wins are shown in currency.

Regardless of the bet size, there is an award cap on any single transaction. See the paytable for details. A transaction includes the results of the Free Spins Bonus plus the outcome which launched the bonus. If the award cap is reached in the bonus, the bonus ends immediately irrespective of any remaining free spins.
