

Monopoly

OBJECT OF THE GAME

Roll the dice to move your game token piece around the board in order to purchase properties, railroads and utilities.

BETS

- Bet cost: \$1, \$2, \$3, \$4 or \$5
- Click on the « + » or « - » symbol to choose the desired bet.
- The amount bet for each game is displayed at the top right-hand side of the screen.

HOW TO PLAY

- Click on **PLAY** to confirm your bet and start the game.
- Select a game token.
- Click on the dice to advance your game token and repeat for a total of 6 rolls. If your game token stops on a property, railroad or utility that is not sold, the associated card will be placed in the legend. If you have collected all the cards associated with a prize, you win that prize. If you have collected three or four “Railroad” cards, you win the corresponding prize, as indicated in the legend.
- If your game token stops on an “Income tax” or “Luxury tax” space, you win the instant prize indicated on that space and the amount of the prize won will be displayed in the “Instant prizes” section.
- If your game token stops on any corner space, you will play one of the following bonus games:
 - “Beat Mr. Monopoly to win the bonus game”: Click on the dice to roll them. If the value of your dice is greater than the value of Mr. Monopoly’s dice, you move your game token to the space indicated or you win the prize indicated on the card, in which case the amount of the prize won will be displayed in the “Instant prizes” section.
 - “Pick a card”: After the four cards have shuffled, click on one of them to flip it. If you discover a prize, you win that prize.
- If your game token stops on a “Community Chest” or “Chance” space, you draw a card. If you discover a prize, you win that prize.
- If your game tokens stops on “GO”, you will play one of the bonus games mentioned above. If you pass “GO”, the game continues normally and no prize is awarded for this event.
- At the end of the game, all winnings, if any, will be paid to your Espacejeux account.

PAYOFF RATE

This game has a theoretical payoff rate of **85.0 %**.

In this game, the dice is represented by a graphic animation of a predetermined outcome and is not associated with an actual dice. The chances of obtaining a given number are therefore not equiprobable.

Note that your playing skills or the choices made regarding a game have no incidence on the outcome of the game, nor the odds of winning a prize.

Malfunction voids all pays and plays.

The prizes are paid in accordance with the payout table available on the game interface.
