

INTRODUCTION

Da Vinci Diamonds™ is a 5-reel, 20-line slots game based on a Renaissance riches theme. The game features a wild symbol, the thrill of Tumbling Reels™, and an exciting Free Spins bonus round with scatter symbols!

OBJECT OF THE GAME

Obtain a winning line, that is at least 3 identical symbols on an active payline, from the leftmost reel to the right on consecutive reels.

BETTING LIMITS

Minimum bet per line: **1¢**

Maximum bet per line: **\$1.00**

***NOTE:** The betting limits above apply to the "REAL PLAY" version of the game. Betting limits in the "DEMO PLAY" version may vary.*

HOW TO BET

- Choose your bet by clicking on the - and + buttons located on either side of the **LINE BET** box, until you have reached the desired amount, staying within the indicated minimum and maximum limits. The available bet per line amounts are 1¢, 2¢, 3¢, 5¢, 10¢, 20¢, 30¢, 50¢ and \$1.00.
- The number of active paylines is fixed; all 20 paylines are always in play.
- The total amount bet will be shown in the **TOTAL BET** box at the bottom of the screen. This amount will be your selected **LINE BET** multiplied by 20.
- To view the payable, which shows the potential winnings, which vary depending on the symbol appearing on a winning line and on how many identical symbols are obtained on a winning line, click on the **INFO** button at the top of the screen.
- You can also change the graphics quality of the game by clicking on the  button at the bottom right corner of the screen. Graphics quality has no incidence on game outcomes.
- Automatic play ( button) is not available in this game.

HOW TO PLAY

- Click on **SPIN** to start the game.

- The symbols will fall down from the top of the screen on all 5 reels. When the symbols stop, if the game board displays at least 3 identical symbols appearing from left to right on consecutive reels, on an **active** payline starting with the leftmost reel, the corresponding payment as described in the payable (**INFO** button) is added to the win meter at the bottom left corner of the screen, and the *Tumbling Reels™* feature is triggered (see *Tumbling Reels™* Feature section below for more details).
- The  symbol substitutes for all symbols except .
-  can only appear on reels 2, 3 and 4 during regular game play.  does not appear on the reels during the Free Spins bonus round.
-  can only appear on reels 1, 2 and 3 during regular game play.
- Highest win only paid on each winning payline.
- Scatter pays are only available during the Free Spins bonus round.
- All wins are multiplied by the bet per line, except scatters, which are multiplied by the total bet.
- Only highest scatter win paid per game.
- One symbol may be used in winning combinations on several different paylines.
- Wins on different active paylines are added together.
- Scatter wins are added to line wins.
- Player is eligible for the Free Spins bonus round no matter the bet per line chosen.
- When getting a win in the main game or bonus round, press the  button replacing the  button at the bottom of the screen to skip the win animation and make the  button available again. If you do not click on  during a win animation, the  button will become active once the win animation is completed.
- Any winning lines you have will be highlighted and your winnings will be paid to your Espacejeux account.

TUMBLING REELS™ FEATURE

- During regular games and free spins, every payable-defined symbol combination appearing on the game board triggers the Tumbling Reels™ feature.
- All winning combinations then on screen are evaluated, and the corresponding payout values are added to the **WIN** meter at the bottom left corner of the screen.
- Those symbols appearing in payable-defined combinations then disappear. Empty symbol positions on the reels are then filled as the symbols tumble from above, in sequence, to fill the empty spaces. The game screen is then re-evaluated for any new winning combinations, and any corresponding payout values are added to the **WIN** meter at the bottom left corner of the screen.
- The feature remains active until no payable-defined symbol combinations are created as the result of tumbling reels.

- The Tumbling Reels™ feature then ends, and all winnings accrued in the **WIN** meter while the feature was active are paid to your Espacejeux account.

FREE SPINS BONUS ROUND

- 3  appearing on reels 1, 2 and 3 on an active payline trigger the Free Spins bonus round. Press **START** to start the bonus round.
- 6 free spins are awarded. The free spins play out automatically; no player action is required.
- Winnings obtained during the Free Spins bonus round are accrued and shown in the **TOTAL BONUS WIN** meter at the bottom right corner of the screen.
- An alternate set of reels is used during the Free Spins bonus round.
- During the free spins, 3 or more identical ,  and  symbols anywhere on the game board award scatter pays, as described in the payable (**INFO** button).
- During the free spins, 3 or more  appearing anywhere on the game board award additional free spins, as follows:
 - 5  award 6, 8, 10, 12 or 15 additional free spins (number chosen at random);
 - 4  award 4, 6, 8 or 10 additional free spins (number chosen at random);
 - 3  award 2, 3 or 4 additional free spins (number chosen at random).

These extra free spins are added to the remaining number of free spins and are played with the same bet per line and same number of active paylines (20) as the current Free Spins bonus round.

- The Free Spins bonus round is played with the same bet per line and same number of active paylines (20) as the game that triggered the Free Spins bonus round.
- The Free Spins bonus round ends when 0 free spins remain or when a maximum of 300 consecutive free spins have been played.
- At the end of the Free Spins bonus round, the total winnings obtained are paid to your Espacejeux account, and you automatically return to normal game play.
